CLUB INTERNATIONAL
Volume Twenty Four
Number Thirteen

You know those nights when you just want to **cuddle** up on the **sofa** with your girlfriend, 10 Silk Cut, a bottle of cheap white wine and a copy of *Pulp Fiction*? Well, that's exactly what I wanted last night but those bastard friends of mine insisted I come with them to see **J-PAC**...

No. Hang on. Is this really worth carrying on with? You know what I'm going to say. It's all so bloody predictable: cider, cigarettes, **18-year-old girls in tiny dresses**, scuffles, loud music, etc, etc... And my mum thinks I live a shallow existence!

What this country needs is leadership; a top bird with long legs and superb **breasts** to lead us out of this rut and sort us all out with her **fit friends** for nights of oral sex. Instead we get art exhibitions by David Bowie, girls who don't like you to 'eat under the table because it's dirty', and J-PAC.

You know I really tried to like J-PAC. I really like their records but 'live' they just don't cut it. Having said that, though, the one with the blond hair has got a rather **fit girlfriend**.

I get asked all the time if I go out with

the models in Club. Well, the simple answer is **NO**. Of course I would shag every single one of them, at least twice, but the fact of the matter is that **they don't really like me.** And you know why they don't really like me? Because I go to seedy clubs in Soho to see the likes of J-PAC fall apart on stage, instead of hanging out in nice places where **nice, naughty girls** go to sip champagne and chat and laugh then go home to **suck your dick** very happily for the next three hours.

Right. Today is the first day of the rest of my life.

Er... is it obvious that I only got two hours sleep last night? – **The Ed.**♣

FAR OUT, MATE

Blonde, beautiful and bloody gorgeous, that's Barbara in the latest issue of Club (Vol 24 No 11). Shit, some fellas might write in and tell you that a model from your mag reminds them of their last girlfriend, or how they just happened to meet a woman who was the spitting image of a chick from Club, but that's practically impossible in Barbara's case. She's unique, a one-off; in fact, she a total goddess (*Calm down, son – The Ed*).

There only one place you could possibly see a girl like Babs, and that's in your dreams, and boy have I been dreaming! I must have fucked Barbara on the beach at Bali, on a balcony in the Bahamas, and even on the beach front at Bournemouth! If I didn't have the pictures to prove it, I wouldn't believe a girl like that was actually real. Now I know she does exist, I'm going to lie down in a darkened room. I may be some time. Catchya later, dudes and keep up the good work... – Gaz, Bournemouth

FIRST CLASS

First of all, I just want to congratulate you for producing yet another brilliant edition. I've been hooked on Club for years now and this is the first time that I've written in. To be honest, I'm still in post-orgasmic shock, 'cos all this happened to me just a few hours ago.

Every day I take the train to and from work, but this evening's trip home was a million miles away from the usual boring rides where I nod off or daydream. The moment I stepped onto the train, I tripped over a bloody great rucksack, which pissed me off no end. My tirade of swear words was cut short though, when a slim tanned arm reached out to move the bag and help brush me off.

Looking up, I instantly bucked up when I saw a stunning babe with long blonde hair apologising to me.

There was an empty seat opposite her, so I settled into that and tried not to stare at her too much as she hummed along to the Walkman she was listening to. She had on a red top, chopped off to the level of her golden stomach, a short flowery skirt and sandals. As she closed her eyes, she let her thighs fall slightly apart giving me a shot of the white strip of her knickers, tight over her plump mound. Any chance of me dozing off as usual were forgotten by the way her soft inner thighs trembled as she tapped a foot to her music. I was worried that the old couple sitting next to me would catch sight of the swelling packet in my crotch, and when the blonde opened her blue eyes and, staring straight at me, put a finger to her mouth and ran her tongue around it, I nearly creamed my boxers!

Thankfully, the couple got off at the next station, and even though I relaxed a bit, my raging hard-on was still hard as a brick. I was dying to give my pecker a pull, and there was no way I could wait until I got home. I slowly got up, planning to go to the loo. As I did, the deliciously brazen blonde grabbed my wrist, pulled me down to her and, giving my bursting crotch a gentle squeeze, whispered, "Enjoy your wank, think of me!"

She couldn't have been more forward if she tried, so I took her hand and led her into the cubicle with me. Once the door was shut behind us, it was a hasty whirl of rude, rushed sex. Her expert hands went straight for my flies, and she was down on her knees and sucking my cock before I even had the chance to give her tits a decent feel! As well as looking down at her puckered willing lips, I had a side view of her in the mirror; her cheeks sucked in as she greedily guzzled my cock. I didn't think it could get any better, I felt as if I was living out a dream, then she suddenly let the rounded bell-end of my cock slip out of her mouth and grinned, "Now you're warmed-up you can fuck me!"

She moved up onto the sink, and yanked the damp crotch of her knickers to one side. She wrapped her fingers around the root of my dick and pulled me into her tight love tunnel. My arse was whacking into her as I fucked her deep and hard, the rocking movement of the train helping us along. She was panting loudly, as I speeded up the pace and shot my load into her just as the train pulled into my station. My inter-city chick then jumped off the sink and

Starter for 10: what's a video entitled *Lads' Night Out* about? That's right, and unfortunately that's about all we know about it because the sound's broken on the video so all we got was the pictures. For all those of you who've sat around and taken the piss out of Dutch types saying "oooh

To be honest it may well be bloody good. It's got two top lads in, Roland Rivron and Keith Allen. The aforementioned ran straight into me in the street a couple of months ago, and was very apologetic, so I'll give him the benefit of the doubt for now, and Keith planted a kiss on my lips. "Thanks a million, my name's Jo," she said cheerily before skipping off, leaving me reeling and only just managing to get off the train in time.

I'm still looking out for Jo every day, and if you're reading this, I hope we can have a return trip sometime! – Gary, Reading

SEXY SURPRISE

I feel quite dirty writing this, but that makes it all the more exciting. I'm a 21-year-old girl from a very strict family, so until what I'm about to reveal happened, the only sexual pleasure I had was with my fingers under the duvet. I couldn't wait to have some well-hung stud break me in, especially as my unrequited lusting was fuelled by my three best friends, Christine, Kate and Jenni. They seem to spend every spare minute at work swapping sex stories, making me blush at my obvious lack of experience. They knew I was a

3. She is the spunky little star of mad movie, *The Bait* in which she acts very well and gets her tits out quite a lot.

Square-eyed **Phil Strongman** gets paid for watching telly and then spreads some showbiz rumours…

Paparazzo, the new ITV drama starring Nick Berry as a cheeky chappy with a camera has been making waves, so to speak, behind the scenes. It seems, I'm reliably informed, that some of the extras are taking umbrage at being the constant subject of unexpected photos. "You can't even have a slash," snarled one youngster, "without some idiot flashing a camera under the door at you! You're always being snapped!"

The producers are alleged to have defended such nonsense by saying that leading members of the cast must be allowed to develop "a professional relationship with the lenses". To which one insider added, "I don't mind 'em developing relationships with their own lenses, I just wish they'd leave mine alone!"

T.V.

☆ Speaking of commercial television and its troubles, what's the difference between the Loch Ness Monster and the cable station, Live TV? Yes, correct, more people have seen Nessie. The first Live supremo, Janet Street-Porter, claimed she was aiming for quality TV. But then our Janet got up at a media conference and slagged off the "male, middle-class, middle-aged mediocrities" who run British television. So, naturally, her male, middle-aged, middle-class employers sacked her. Would her mission for quality innovation continue, her remaining colleagues asked new boss Kelvin 'The People's Chump' McKenzie? "Oh yeah," said former Sun editor McKenzie, "we have a new strategy. It's this… sport and big tits." One Street-Porter fan was in tears as she said "That Thing" – I assume she meant Kelvin – "is an animal!"

Editor's note: *As I am now the star of LIVE TV's Friday night Sex Show, I would just like to say that I think you're all fab and LIVE is the best and Mr McKenzie is cool and the writer of this column is stupid. Thankyou.*

☆ Meanwhile in sunny Colombia (the only place on earth where the leaves never stay on the trees long enough to fall) the BBC's new multi-million pound production of

Nostromo has had its problems.

Stars Claudia Cardinale and Albert Finney weren't thrown by the tropics, but director Alistair Reid suffered a breakdown and 'total exhaustion' and had to be replaced by producer Michael Wearing. The TV movie's original director David *Prime Suspect 3* Drury hasn't been too happy either. After losing the *Nostromo* project, Drury (who shot the cult classic *Defence Of The Realm*) then discovered his TV version of *The Secret Agent* was not going to gain a cinema release, the honour going instead to Bob Hoskins' £15 million remake which is also to star Emma Thompson, whose recent confession – that she first had sex at 13 – is still causing shockwaves in Hollywood.

Anyway, to console himself with the loss of *The Secret Agent*, Drury sold his Clapham townhouse and used the funds to buy a £300,000 mansion in Shaftesbury, Dorset. On their first night in the new pad, he and partner Judith Hayes decided to nip out to the local pub – they then returned to find their house in the country a smouldering ruin being doused by the local fire brigade. Only a few antiques, in the basement, were apparently left unscathed by the blaze. The shocked couple took off to a local hotel and came back the next morning to discover that the canny natives had made off with the remaining antiques. Welcome to the country!

PHOTOGRAPHS BY JACK HARRISON

Ooooh, I'm feeling hot at the moment – and are you surprised? I'm all glammed up in my clammy PVC! Loads of you wrote in asking to see me in something shiny. Well, come down to my local club! Almost every weekend I wear something fantastic in plastic or rude in rubber.

This is my most successful pulling dress! It clings to my cleavage and shows enough of my bum to have more than just tongues hanging out. But you have to feel it to really appreciate it. Imagine running your hands over the smooth curves of my PVC-coated bum, slipping my boobs out of the top, and sucking my juicy nipples.

Then if you're very good (you are very good, aren't you?) I'll let you lift it up, and feel my burning hot pussy. I'll unzip you and guide you inside and we can have a lovely hot fuck on my sofa.

Now look, you've got me all excited again… ♣

letters to carrie

Dear Carrie,
There are some great looking girls in the magazine, but to me they're like one night stands instead of a full blown affair – it's hard to remember them a month later. That's why you're such a turn on. Everytime I go down the local newsagents to pick up the latest issue I know you'll be there, under the cover, waiting and welcoming, wearing new gear, but underneath the same lovely slut who's not afraid of telling men what she wants.

I've no idea what you'll be up to next, but last time's outing as a nurse was the best yet. Seeing your tight white stockings and full breasts aching to be caressed made me wish I could share a hospital bed with you. It would be worth going in for a check up just to open my eyes and find you perched on the side of my bed.

Imagine your surprise as I reached out under your starched skirt and moved my hand up above the level of your stockings, touching your suspender belt and slipping my fingers closer to your quim. You'd open your legs to make access easier, and as you began to squirm I'd be up on one elbow to pull you closer. It wouldn't take long to unfasten your bra, and then you'd be inching your way further up the bed. You could keep that white hat on, but the rest would come off as you crawled on top of me. We'd have to be quiet, since this isn't one of the services on the NHS. I think in the end we'd get caught, if only because I'd still be hooked up to the cardiac machine and they'd think I was having a heart attack! – *Jonathan, Greenwich*

You've got me hot just thinking about it Jonathan. I like someone to take control once I'm aroused, because I go so shaky I'm good for nothing but a firm presence and some calming hands. If I found myself on top of you with only my hat for protection, I'd worry for both of us. I wouldn't have thought any equipment could handle that!

Dear Carrie,
I was out having a few drinks a couple of weeks ago when I thought I saw you sitting at a table close to the window of the wine bar. You looked really bored by the bloke sitting opposite, so when he went off to the toilet I thought I'd pop over to say hello. I soon realised my mistake, and because I was a bit embarrassed I blurted out who it was you, I mean she, reminded me of. I was absolutely amazed when she said she was a reader too, and took it as a compliment.

When her partner returned, she told him she was going off with me and we ended up getting drunk together whilst we talked of the different outfits you've worn and which ones we found the most erotic. She was strictly a silk underwear woman, and told me she was wearing her favourite gear underneath the tight black dress I couldn't take my eyes off. She crossed her legs, and as she was on a high bar stool I could see the top of her stockings. It was enough to wet my appetite, and when I told her I wanted to see more, she took me by the hand straight out to the taxi rank. We were all over each other. She had her hand inside my trousers faster than a starving pickpocket, but I thought we were in trouble when the driver told us to pack it in. It was alright though, he was just scared of crashing whilst he watched us in the mirror. When we got home she took me upstairs and showed me some of her other outfits, and right the way through insisted I call her Carrie, so I can honestly say I must be one of the few men who write into you who've enjoyed your pleasures. *Brendan – Dublin*

Don't be so sure it wasn't me Brendan, and by the way, I gave you the wrong number. ♣

HOW TO GET PISSED AT CHRISTMAS ...FOR FREE!

Everybody likes to get completely shit-faced over the festive period, but it can be a costly business. Thankfully *Kate Ritchie* has come up with some cunning freeloading scams...

Office Party Scam

Best time to try this is in the week leading up to Christmas. A smile and a wink to the girl on the reception desk of any large company should be enough to get you through the first hurdle. Walk past her confidently, and then get into the lift. A quick scout around the building should reveal an office party in full swing. If you push past the girls photocopying their arses, and the middle manager fumbling around in the tea-lady's bra, there should be a large stash of booze around somewhere. A few bottles of Blue Nun later and you should be there. And you might even get the receptionist's number on the way out.

The 'Doing It For The Kids' Scam

If you amble down any high street, you will see gangs of 14-year-old kids hanging around off-licences pestering the more mature-looking people they see to buy beer, fags and 20/20 for them. Simply affect an affable disposition, and they will approach you to do this job for them. The right way to respond is to say, "Well kids, I wouldn't normally... but what the hell, it's Christmas!" You then take their hard-earned pocket money, stumble into the offy and, bingo, it's as much as you can drink for free. On the way out, run for it.

Hogmanay Scam

Scotland is brilliant at New Year. You wander around the streets getting pissed with loads of other piss-heads. So get on that Intercity and up to alcohol nirvana. If you live there already – result!

Take along an old whisky bottle filled with cold tea and, when night falls, stand on a street corner. When other people offer you swigs from their bottles, take them, and let them have a swig from yours. They'll be so smashed they won't even realise your little ruse.

The Big Pub Scam

As it's Christmas, you want to go down the pub with your mates. But, being a tightwad, you don't want to spend any cash. So suggest a pub crawl, and as you approach each pub, walk ahead and hold the door open. That way, you'll be the last to the bar and won't have to get your round in.

If, however, you're drinking solo (you sad fuck) you should go to the bar and order five pints. As the barman brings the first two, make out that you are going to take them to your (non-existent) friends. Then neck 'em both quickly, and leg it before the ex-boxer landlord spreads his own form of Christmas cheer.

THINGS YOU DO AT XMAS WHEN YOU'RE PISSED

Wear a plastic headband, and leer at any girl in the vicinity for a 'Chrishshmass kish'.
Wear musical boxer shorts.
Buy a stranger a drink.
Put tinsel in your hair.
Go to midnight mass, sing carols loudly, and puke in the font.
Sing along to Slade, Jeff Beck, and Wizard in front of the girl you have fancied rotten for the last eight months.

The Relatives Scam

This is the only time of year that you visit relatives you never see at any other time, and ponce drinks off them. Dredge your memory for long-forgotten cousins, aunts, and parents, and nip round to their house with some tawdry gifts. They'll be so embarrassed they haven't bought you a present, they'll raid their drinks cabinet for a bottle of something or other. Take it, and then stay around for other guilt-induced offerings of food, alcohol, or their daughter.

The Old Slapper Scam

If you go to any pub around Christmas time, you are sure to encounter the sad divorcee, staring sulkily into her port and lemon, and only stirring herself occasionally to bob half-heartedly to 'I Will Survive'. This is too good an opportunity to miss.

Use the old 'not all men are like your ex-husband' line, and she'll be putty in your hands. Tell her you are a poverty-stricken, sensitive type, and she'll get the drinks in – another night of free inebriation. Yeah, O.K. she might expect a shag at the end of the night, but you may discover that you always had a fetish for saggy tits and KY jelly.

The Happy Shopper

This is the time of year when suckers spend loads of cash on overpriced food and drink. The shops tempt them with late-night shopping and in-store promotions. Very often, these freebies have a high alcoholic content. Check out your local papers, and get down to a respectable department store in town with an assortment of hats. Make your way to the free samples of alcohol, and return every five minutes wearing a different hat and affecting a different accent. End up lying underneath the make-up counter, trying to see up the assistant's skirt. For free!

DRINKS ONLY DRUNK AT XMAS

nowball – foul, custard-like draught hat you get pissed on at the age of 10, and never touch again.

Chocolate liqueur – basically cold chocolate sauce with alcohol. Will result in brown puke.

ailey's Irish Cream – delicious for the first sip, then rapidly palls.

rcher's Peach Schnapps – much beloved of girl hairdressers, this mbarrassing drink is often proffered t Yuletide as a sophisticated alternative to vodka. It is about as sophisticated as Bonnie Langford.

ot toddy/Mulled wine – traditional Christmas offering of people who drink elder flower cordial the rest of he year. Heating up alcoholic drinks boils off the alcohol, you fucking fools.

Mirage/Taboo/Malibu – drinks that you try at Christmas on the excuse that, as they are free, you might as well take the opportunity to try them. Why? Banging your head against a brick wall is free but you don't try that. One shot of these foul concoctions will have you swearing hat you'll only ever drink lager again.

Santa's Little Helper

As everyone knows, when Santa comes a-calling, the kiddies leave out booze and snacks for the old fella. Any self-respecting freeloader simply dons a Santa costume, and ho-fucking-ho it's down the chimney, and down with the booze. If the kids come out to see Santa, tell them to fuck off or there'll be no presents this, or any other year. If the kids' mother comes out ask if she wants to see your Christmas bauble, as Santa's sack needs emptying. Happy Christmas, y'all! ♠

Layla

Photographs by Scott Evans

Say her name slowly, and you'll understand why good old slowhand Clapton wrote his classic about her. "I got my name because I was conceived while it was being played." says Layla. "I've been a love child from the first moment. That must be why I just can't get enough. Underwear just seems to fall off me, although occasionally I like a helping hand. When I get really hot

it's lovely having someone close to hand ready to relieve me.

"I love foreplay, but only if I can be sure I'm going to have a really good fuck at the end of it. Most of all I need a man with a broad mind and a broader prick. That's the way to keep a girl like me happy."♣

Lordz of Brooklyn – The Definitive Interview

by Richard Mahony

Yo homeboys and homegirls, this month *James T Bone* hangs tough and takes afternoon tea with his mate Richard and a nice bunch of boys from Brooklyn...

AT HOME BOYS!

Yo! Yo! We've been hanging with da home boyz from NYC... and all that kind of street talk. Going to meet the crazy fellas from Brooklyn at the grotty Columbia hotel (named after that Oasis song), James T Bone and I showed ourselves for the professionals that we are: neither of us had listened to the Lordz' LP, neither of us had bothered to read anything about them and we didn't have any questions to ask — but that didn't matter because there were no batteries in the tape machine that was meant to record the interview. But the whole thing seemed to go a little like this:

"We love our mothers. We love pizza, especially regular cheese slice. We wear funny hats called stingy-brims. We look fuckin' cool cos we are fuckin' cool, but one of us dresses like a cross between a snooker player and JR Hartley, and could be aged anything between 25 and 50. We don't take drugs but we like to drink. We like a good, fair fight, one-on-one; beers and bats, know what I'm sayin'? Beers and bats, bats and beers. Yeah. We love *Saturday Night Fever* cos it was filmed in our neighbourhood. We're into graffiti. We love to spray, old skool, inkin'. The cops busted my ass, you know what I'm sayin'? We have a moral responsibility to the kids today. Beers and bats, and having a good time. Eatin' pizza. Robert de Niro. I like to keep busy. Make some noise, know what I'm sayin'? House of Pain. Hangin' out. Bombing the BMT trains. Pool, darts. I'm into cars. Sunset Park, wildstyle, bar fights. It's natural for kids, know what I'm sayin'?"

Get the gist? Well now get the LP cos we went back to the office later and listened to it and it's really good. Know what I'm sayin'?

HUGH REED
& THE VELVET UNDERPANTS

● Hugh Reed and the Velvet Underpants must rank up there with Bum Gravy as a fucking awful name, but you'd be foolish to dismiss this bunch of Scottish reprobates so swiftly.

We know tribute bands are pretty crap, but despite their name, the five-piece from Glasgow certainly don't deal in second-hand harmonies. Instead, tuneful ditties like *I've Just Had My Car Nicked* and *Salt, Saliva, Sperm and Sweat* sound like the bastard mind-child of Carter USM and King Kurt. An album, *Take A Walk On The Clydeside*, is available from Eclectic Records, 3 Chamberlain Road, Edinburgh EH10 4DL, or from any disreputable record dealer.

● If, like me, you think the only good pop star is a dead one, then you're in for a real treat next month. Rockin'-and-a-rollin' from six feet under soon are The Beatles, Queen, Elvis Presley and Nirvana who all release new singles. Dead good.

● Finally, what does it take to scare the pants off Noel Gallagher of Oasis? A running battle on the terraces

Lordz of Brooklyn: Nice boyz

Gota & the Low Dog: good music, bad name

● Jesus, bad month for band names I'm afraid. Hot on the heels of Hugh and his Pants comes, erm, Gota & The Low Dog. I know, embarrassing. However, using the same fellas who have played with Bomb The Bass, Parliament, Funkadelic and Paul Weller, they make a racket that's funkier than a pair of George Clinton's underpants. *Live Wired Techno* is the name of the LP and it's very very good. The name still sucks though.

Elvis Presley: the King sings on... and on... and on...

at Main Road perhaps? No problem. How about playing to 40,000 people at Slane Castle in Dublin? No farcking sweat, mate.

Nope, it seems nothing terrifies our Noel more than a bunch of teenage girls. The hard man of Britpop has admitted he was shit scared when he went along to see Take That play at Wembley. Fans of the band have been baying for his blood ever since Robbie quit the group, with them all blaming him for leading the innocent Robbie astray. In fact, so scared was Noel that he had to be escorted by a security guard after a pack of girls recognised him and started to make moves towards him. What's wrong, mate, were they brandishing a big pair of eyebrow clippers? ♣

Since we're preparing for Xmas as early as mid-October we feel as festive as a turkey staring at a cooker, but the chance to fill some sexy M&S lingerie with one of our favourite girls was too good to miss. Look at the

smile on Jenny's face, that's what comes with top quality merchandise close to her most sensitive spots. It's a tried and tested way to keep your lady happy. What a range! Competitve prices, nice styles and good quality – in brief – underwear that lasts, and depending what you get up to, that could be very important.

Variety is the spice of life, and with this lot it should keep you guessing

It's that time of year again. The season of fellowship and goodwill to all men. A time to give, to receive, to celebrate, to remember and to read yet another desperate strap-line that's trying to make *Maurice Short*'s Xmas Quiz sound exciting…

Having a birthday on Boxing Day can be a pain in the arse, but Helen has thought up a way to make the two celebrations very different. "On my birthday, my boyfriend is coming round to bonk me rigid but I'm having a dyke Christmas!" she says excitedly.

"Claudia has promised to spend the day licking me into shape, treating my pussy to a pampering with her lips and teasing

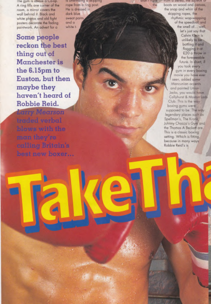
tongue," she reveals.

So what is clitty-licking Claudia doing at your place now, Helen?

"It's an undressed rehearsal," she says with a giggle. "A few practice laps with her tongue! But it's done the trick, I can't wait for the big day!" ♣

Take That!

Some people reckon the best thing out of Manchester is the 6.15pm to Euston, but then maybe they haven't heard of Robbie Reid. *Larry Mearson* traded verbal blows with the man they're calling Britain's best new boxer...



Moston is one of Manchester's most depressed districts. The kind of place where you feel underdressed if you're not wearing a tattoo and a couple of razor scars. It's not quite South Central LA, but it's about as near as an Englishman's going to get without boarding a plane. The gym is above a Co-op. A ring fills one corner of the room, a mirror covers the wall behind it. Black and white photos and old fight posters decorate the fading paintwork. An advert for a boxing play, *The Rochdale Thunderbolt*, hangs near a heavily-taped punch bag. A photocopied article on one of the regulars, Delroy Waul, the WBU light-middleweight champion, is pinned to the back of the door. Robbie Reid, Olympic bronze medallist and rising young British middleweight is unwinding a skipping rope from a ring post. He is dressed in dark blue sweat pants and a white t-shirt bearing the legend: For Whom The Bells Toll. His hair is tied back with a strip of black cloth worn Bushido-fashion across his forehead. "We used to train over there," he says pointing across the Lightbown Road to a modern brick building with sparkling white window frames. "It was alright, but it didn't have the atmosphere."

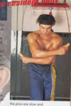
It's easy to see what he means. If you sat down and imagined a boxing gym, the chances are that it would look and feel pretty much like this one: heavy bags weathered with age and daily pummellings sagging wearily from a reinforced ceiling, soul music blasting from a stereo, the squeak of boots on wood and canvas, the snap and whirr of the skipping ropes, the rhythmic wap-wapping of the speedball and the smell of... well, let's just say that Calvin Klein is unlikely to be bottling it and flogging it at £20 a throw in the foreseeable future. In short, if you took every gym in every boxing movie you have ever seen, added some Mancunian accents and painted Union Jacks, you would have Collyhurst & Moston Lads Club. This is the way boxing gyms were supposed to be. The way legendary places such as Spellman's, The Kronk, Johnny Chocco's Gym and the Thomas A Beckett are. This is a classic boxing setting. Which is fitting, because in many ways Robbie Reid's is a classic boxing story.

Born in Sefton on Merseyside 25 years ago, Reid spent the first years of his life in a children's home. Adopted at two years old by Lynne and Ray Reid, he took up boxing shortly after the family moved to Runcorn in the late '70s. And not a moment too soon. A black child with white parents and two white brothers, Robbie Reid found himself being singled out by a boy from the year above him in primary school.

"He was always offering me out and having a go at me," he remembers. We are sitting on a wooden bench in the exercise room of the gym. Every now and then one of the kids coming in fresh from school to train pops his head around the door to say hello, while a few yards away Pat 'The Black Flash' Barrett – a one-time World Title contender – lifts weights in between answering the beeps of his mobile phone.

"At first I was scared of him because he was a year older than me, and his mates were always egging him on," continues Robbie. "I'd been going on Sunday mornings to train with a coach down at the local club for a bit and it started to give me a bit of self-confidence.

"It's hard to envisage a school rough enough to make Robbie Reid the chosen target for the resident bully"



One day this lad starts on me and I just said 'enough'. I hit him once and that was it." The lad came back three more times, but each time the outcome was the same and eventually the message sank home.

Watching Robbie Reid spar nowadays it's hard to envisage a school rough enough to make him the chosen target for the resident bully. Though of about average height, he has the kind of shoulders that would fill a Versace trench coat without the need for the added padding. They are attached to the broad, muscular frame of a natural middleweight. In the ring his moves are solid and purposeful. He is strong defensively and fires off his punches thoughtfully and with a minimum of fuss. Accurate and uncluttered by the kind of flashy showboating that is too often passed off as skill in the modern game, Reid's work has an almost old-fashioned, businesslike quality about it.

"Robbie's not a snapping puncher," says his coach as he watches Reid manoeuvre around the outside of a much heavier sparring partner. "He's a thudding puncher. He reminds me of Randolph Turpin." World Middleweight Champion in the 1950s, Turpin's is the name that comes up most often when senior fight fans put their heads together and try to decide who was the best British fighter of all time. It's a big compliment to Reid, but one he's gone some way to earning.

By the time he'd finally shaken off the attention of the bully boys, Robbie Reid was entering schoolboy competitions. By the age of 17 he was already good enough to be selected for the England U-19 squad. A year later in Puerto Rico he took a silver medal at the World Junior Championships. It was the first medal Britain had won in that tournament for a decade, and came at a time when amateur boxing, still dominated by the full-time fighters from the Eastern Bloc and Cuba, was at its toughest. With getting on for 40 appearances for his country to his name and an ABA semi-final appearance in 1991, Reid's place as the light middleweight in the Great Britain squad for the Barcelona Olympics might have seemed guaranteed.

Enter Adrian Dodson. An African-born fighter with an American accent who had fought for Ghana in Seoul four years before, Dodson suddenly declared himself English and the media clamoured for his selection. Not much of a problem for Reid, you might think, as Dodson had, up to that point, always boxed at welterweight. However, along with a switch of nationality, the flashy and big-punching Dodson was also looking for a change in weight. Struggling to make the 10 stone seven limit, he was angling for a shift to the 11 stone division. He was after Robbie Reid's place. Over the months leading up to that summer the selection process was whittled down until it all rested on a qualification tournament in Italy. Dodson won at welterweight which meant any slip-up from Robbie would see him out of the Olympics. Under the kind of pressure that would crush a Challenger tank, Reid went out and won his final. Both he and Dodson would go to Barcelona. The outcome for the pair couldn't have been more different. The much vaunted Dodson lost in the first round, the unheralded Reid went on to capture Britain's only boxing medal. Asked by Harry Carpenter for a message for the folks back home after his quarter-final victory, an elated Reid blurted out the words, "I love you, Mandy!" A star, as they say, was born.

One more bout for England ("I could have turned pro straight after the Olympics, but that would've meant my last fight as an amateur – the Olympic semi-final – would have been a defeat. I didn't want that," explains Reid) and he joined the paid ranks. The switch can be a tricky one for even the best amateur. Stars like American, Howard Davis, and Canadian, Sean O'Grady, Olympic Gold Medallists both, sank without trace in the pro ranks. It's a pitfall that Robbie is well aware of.

"It's a big difference between amateur and professional. The amateurs say the pros are slow and plodding, but that's because when you're an amateur you're only going for three rounds. You can just box flat out. When you're a pro you have to pace yourself. You have more time to pick your punches." There are other difficulties not encountered in the amateur ranks too, such as journeymen opponents whose only interest is survival. Guys who will grab and smother and anything else it takes to last the distance because they know getting stopped will mean not being allowed to fight again for 28 days and they need the ring earnings too badly to let that happen. "You can't blame them," Reid says. "But it's hard to look good against them."

Nevertheless Reid has looked good enough in 16 undefeated bouts (including

PHOTOGRAPHS BY ANTHONY FARNSWORTH

11 inside the distance wins) to attract the attention of SkyTV, British boxing's current big paymasters. He has already featured in the documentary *Saturday Night & Sunday Morning* screened this autumn, and a deal to televise his coming bouts on the satellite channel is currently under negotiation with his manager, Frank Warren.

"He looks like a pop star, doesn't he?" says Robbie Reid's coach. It's hard to disagree with him (though it's doubtful if any members of Take That spend their Monday afternoons exchanging right hooks with an Australian heavyweight – more's the pity, you might say). The covers of magazines surely beckon for Robbie Reid, though it's doubtful he'll get carried away by it.

"You know, things like that can take you over," he says, and he's enough of a fight fan to know that those who do get taken over rarely prosper in the ring.

Handsome, talented, successful: it would be easy to be envious of Robbie Reid, but he's such a genuinely nice guy you don't begrudge him any of it.

It's a sad truth of sports writing that the nearest you get to most games – football, for instance – the more your romantic illusions about it are shattered. Boxing is the opposite. The nearer you get the more they are confirmed. Earlier in the day Robbie Reid's coach had talked to me a bit about the gym and contrasted the boys training inside – smiling, chatty, optimistic – with the lairy lads loitering outside on the street corners of Moston.

"The difference is," he said, with a line that could have come straight from a Hollywood script, "that boxing has given these kids a dream." And, standing there above the Co-op, I knew that it was true. With a fight with Neville Brown for the British title likely in February next year, Robbie Reid is near to realising that dream. Keep your fingers crossed for a happy ending. ♣

WAYNE'S WORLD

Matt Moore meets a rock 'n' roller...

Jayne County was born Wayne Rogers in rural race-segregated Dallas, Georgia, in the early 1950s, maybe '40s ("Never ask a girl her age"). Wayne's next-door neighbours had 10 children – all girls – so Wayne grew up hanging around with and getting dressed up by a lot of girls. "It wasn't until I went to school that I began to realise that I was different from the other kids. I was very disappointed that I had to wear boys' clothes to school."

Long before he was 13, Wayne knew that boys were his jar of brandy, and by the time he was 16, sporting a home-made Cleopatra look with duct tape on his forehead (to make his eyes slant), he was sneaking off with members of the school football team.

Wayne started working in Atlanta in the mid-60s. It was here for the first time that he met other people with names such as Miss Cocks ("She liked to suck cock") and Miss Hair ("She was always fussing with her hair") that were just like Wayne. He was christened Woodrina by his peers.

"And there was Queen Lizzie. She became famous in Atlanta because she got a job in Davison's department store modelling women's clothes. One day the boss walked in as she was changing and saw that Queen Liz had a cock, so she got the sack."

In 1967 he moved to the Big Apple.

"Everyone had long hair, sideburns, big moustaches, bell bottoms, flowing robes. That's how you met people, just hanging out on the street, tripping."

He hung out in clubs such as The Skewer and Max's Kansas City. It was at this time of political upheaval and social change that Wayne met Jackie Curtis and Candy Darling – both stars of Andy Warhol's film *Flesh*. Jackie became Wayne's inspiration. "She walked around in ripped stockings and big tears in her dress with threads hanging off, but in her mind she thought she was Greta Garbo."

Other regulars at Max's included Andy Warhol, Lou Reed, Jim Morrison and Grace Slick. An unknown Debbie Harry was the scruffy waitress and years later it transpired that Don Johnson was another scrawny kid who used to hang around. It was at Max's that Wayne got his inspiration for his first outing on stage in the play *Femme Fatale*, written by his mentor Jackie.

Set in a women's prison, *Femme Fatale* inspired the B-movie predecessor to *Prisoner Cell Block H*, *Caged*. Richard Gere – another unknown at the time – was turned down for a part in *Femme Fatale*. During the play Wayne got the first half of the name he was soon to be known by, Wayne County. Not wanting to use his real surname, Wayne decided on Wayne County because it was a district in Michigan, and The Stooges, whom Wayne was a great fan of, came from there. During the play, Wayne had soaked up Jackie's attitude and shortly after decided to direct his own play.

World Birth Of Nation ("The idea behind it was the castration of the male sex") opened to rave reviews in the underground press and Andy Warhol came to the opening night and came back again and again. "The scene that really blew people's minds showed John Wayne giving birth to a baby!"

Wayne County was now a name on the underground club scene's mind. Andy Warhol cast Wayne in his first stage production, *Pork*. With Warhol's fairy dust sprinkled on a play mainly centred around shit, it got rave reviews in major US newspapers and travelled to England to open at Camden's Roundhouse. The entire cast stayed in a flat in Earls Court that quickly became known as Pig Mansions ("We were all living like pigs").

The play sank in the press, but audiences continued to return. After meeting David Bowie at one of his early London concerts during *Pork*'s run, he too became a regular fixture sniffing around the cast backstage.

"My first impression of David Bowie was that he was a very passive, over-polite person. He'd come backstage and shake everyone's hand and say how much he'd enjoyed our performance. Very serious. But all the while he was studying our make-up for his own future use."

Returning to New York in 1971,

Wayne formed his first band, Queen Elizabeth. Along with The New York Dolls and Ruby and The Rednecks, they formed the spine of New York's early glitter scene that crawled from the underground.

David Bowie's *Ziggy Stardust LP* came out in the States. Signed to a contract with Bowie's management, Wayne was still waiting in 1975 to record his debut when Mainline, Bowie's management company, dropped him.

By early 1976, Wayne had become Jayne and accepted that she was actually a transsexual (in this case, a woman trapped in the wrong body) and started a new band, The Backstreet Boys. They too ran into brick walls releasing their material, but finally managed a three-track single in 1976.

By 1977, Jayne was in London with her renamed band, The Electric Chairs. The group, in between getting booed off at the Reading festival (appropriately slotted between Hawkwind and The Doobie Brothers) toured Europe in a transit van with The Police as support.

"The Police were the most boring people I have ever met."

After three albums and constant touring, Jayne finally broke down in Germany. Fleeing to New York in the summer of 1979, the band disintegrated although Jayne still occasionally played shows.

> the boss walked in as she was changing clothes and saw that Lizzie had a cock, so she got the sack

During the 1980s, Jayne lived on and off in Berlin, New York and London paying the bills by acting, doing performance art and playing gigs. Jayne's struggle reached its lowest point in the last half of the same eighties that spawned Dead Or Alive, Frankie Goes To Hollywood and Boy George, all of whom were artistically indebted to what Jayne had already set earlier. Artists owing and even acknowledging influences, however, wasn't going to buy her the next meal, so Jayne continually found herself having to hustle and, even for a period, sell the one thing she had left, herself. But suddenly things got good again.

Now Jayne is back, and she's gigging again with a new Electric Chairs to accompany the release of a new album, *Deviation*, that's rumbling with a new lease of enthusiasm, her own pair of tits and over-the-top rock 'n' roll.

An autobiography, Man Enough To Be A Woman, is out now and is published by Serpent's Tail. ♣

If you're looking for a Taylor to take something in for you, then look no further than Claire Taylor. The 20-year-old floozy with the funny name is brilliant with her hands. "I make all my own clothes," she says proudly. "That way I can make them as short and saucy as I want with slits in all the naughtiest places! There should always be somewhere for you to slide your hand inside and something to undo at the front so you can see enough of my boobs to make you want to take me to bed. Being undressed by a fella is what really gets me going..."♣

AVANTGARDE

"Cars, they're all the bloody same aren't they?" Several people around us turned pale. Club editor Robert Swift had a glazed look in his eye. It was around 1.00pm on the first day of the motor show, and we were sitting on some plastic white garden furniture in the Ford stand. There was smoke gathering high above us under the aircraft hanger roof from the various corporate barbecues and we'd just finished another two glasses of wine. I'd asked him whether we were going to move onto the next launch. He ignored me and ordered another two drinks, then said he didn't see the point, what else did I want to look at? I noticed a six foot blonde stalk past. "Just one more then."

We had got there at nine in the morning with the best intentions. I'd queued for a press pass behind a couple of suits who chatted about 'after market sales'. Presumably this is when you want to buy a car late at night but the showroom is shut. You know, like from a mate in a pub car park. By 9.30 I was drinking champagne on the Peugeot stand and having a discussion about engines with some guy from a national newspaper. At 9.31 he left, having realised that not only did I not know what he was on about, but I didn't know what I was on about either. Then another glass at the Rover stand whilst watching some women play strip-tease with a car cover, much to the annoyance of the cameramen jostling for position. Robert appeared taking photographs of everything that moved. After about ten minutes he asked me if I knew how the camera worked. I told him I'd no idea. We both looked at it with puzzled expressions then shrugged. Off to the Chrysler jeep launch.

I waved at Jason Leonard, the England Rugby Union prop forward, who was on the Hyundai stand and saw a Volvo with more air bags than a Page Three girl. Thought to myself how it's strange that when I'm sober I'm really on for car safety, but when I'm drunk, and it's a hell of a lot more important, I couldn't give a toss. On the way back from the toilet I popped onto the Rolls Royce stand to ask for some photographs. Told the man I couldn't afford one of his cars, but there was always the National Lottery. He asked me if I was a registered charity. Told him the old story of Michael Caine, who after getting loads of dosh for his role in *Zulu*, went into a Rolls Royce showroom to buy one of their cars. They kicked him and his mate out for being scruffy dressers, so later that day having bought it somewhere else, he drove slowly past giving them two fingers. The man told me he'd heard it before. Got the photo though.

Now I'd got money on the brain, so I ran off to the Aston Martin stand and started getting excited over the prices. These are beautiful cars, and what's more, they're British. The *DB7*, one up from James Bond's old car, was being previewed. At £78,500 it's not cheap, but compared to the *Volante* (£147,862 – I asked about the odd amount, she said they might let me off it) and the *Vantage* (£177,600) it's almost affordable. I didn't get round to asking about part exchange on a G-reg *Golf*.

Next I looked for the biggest, the fastest, the lowest and the most sexy. Saw the *Viper*, a car so hard it's got two ignitions, apparently because most of the time you only need to use half the engine, and sat in a Lamborghini, eating one of their spinach sandwiches until a salesman almost had a coronary. 11.30! – time for the Saab launch, with Ulrika Johnson and Yasmin Le Bon. Sprinted to the other end of Earls Court with Robert elbowing people out of the way and yelling "Press!". Got there just as the girls strolled on. Shouted "Ulrika!" and she smiled – Robert picked me up off the floor. Shouted "Yasmin!", and she smiled – Robert stopped me dashing off to the toilets for some light relief. Des Lynam was presenting the girls with the keys to their new Saab soft tops. I asked him why he wasn't getting a free car as well. He laughed at me and said I should go away and think of an intelligent question. Bastard. I'd been up all night working on that one. Went to the buffet and had a drink which was 43% proof, so we called it "The Saab Schnapps". Asked the girl to get another bottle. Had an argument about the strongest drink possible. Had to be pulled apart. Went off for something to eat.

Following my nose, I sat down in the Nissan enclosure and started to read the menu. I'd just got past the warm chargrilled peppers and lobster something when a waitress came up and told me it was invitation only. "So invite me," I said, smiling my winning smile. Someone grabbed my arm and hustled me out.

Headed for the Ford 'everything we do is driven by you' corporate stand with Robert where we were welcomed with free wine and chicken kebabs. Talked of cars, women, and the necessity of the former to obtain the latter. Robert suffered a period of doubt, had another drink and said, "So what's the point of the motor show anyway?"

I took him to the Daewoo stand to show him. Met the PR people, who looked after us with some more food and drink. I told them I loved them and they said they loved me too. I cried for a bit then went up onto the balcony to try and find Robert who'd been arguing about Irish politics with a man in a beard. Thought I saw him down below in the crowd and started to shout. Suddenly people jumped on me and I found I'd lost my yellow press pass. It was looking bad, but as they bundled me over one of the gates I saw Robert was already out there, lying down in the carpark, obviously worn out. It was still daylight, so we went off to the pub, singing a few car adverts on the way. He lost his wallet. Again. ♣

WOMEN'S WRITES

Where the girls get down to business

NAUGHTY NYMPHETTE

I had just turned eighteen when I started to realise that I was a nymphomaniac, and now at 22 my sexual exploits just seem to get more outrageous all the time. I've done everything: screwing in public, threesomes, lesbian sex. Yet nothing seems to be able to satisfy my appetite for sex. Not, that is, until last month.

I work part-time in a television and hi-fi shop not far from a large college. We rent out TVs and videos and get an influx of students at the start of each term. I have to confess that I love fucking students and never have any problems persuading them to come back to my place. After all, if you're a sex-starved student and a buxom girl with a nice body starts to hit you on, you're hardly likely to resist are you?

A couple of weeks ago I found myself talking to a tall, dark-haired 18-year-old student named Gerry. He was quite a bulky bloke and, as we stood talking, I couldn't help but notice the large bulge in his tight jeans.

I began flirting in my usual manner, my eyes staring unashamedly at his packet, my lips pouting greedily. "A sexy lad like you shouldn't be sitting in front of the telly all day," I joked.

"What should I be doing?" he asked.

I slowly leaned forward and, licking my cherry red lips, whispered, "Giving me what I deserve." As you can imagine his jaw nearly hit the floor! Before he started to get too overexcited, I gave him my home address and told him that I would be alone that evening.

The rest of the day went very slowly, but I soon found myself at home removing my shoes, skirt and shirt, before sinking my hand into my white panties. So desperate was I for a good frigging, that I didn't even take off my socks! My cunt was aching for action. Running a finger along my hot swollen clit I felt the first orgasm hit me. I groaned uncontrollably, my legs spread wide and my hand wet with love juice.

When Gerry arrived I led him up to my bedroom. Climbing onto the bed I pulled down my knickers and thrust my bum in the air. "What are you waiting for?" I demanded. I don't think Gerry could believe his luck and he pulled off his pants to reveal a thick eight-inch prick! Now it was my jaw that dropped and my heart began to race as he pushed his immense helmet up against my soaking twat. "Oh, yes please," I begged as Gerry slowly sank his tool inside me. It was all too much and I cried out with pleasure, his cock sliding deeper with each stroke.

I came within seconds, biting my lip and quivering lustfully. Grabbing my long blonde hair he began to ride me like I'd never been ridden before. His other hand was stroking my firm, pink nipples. "Is this the fucking you said you deserve?" he panted smugly. It certainly was and I nodded gratefully.

"Spunk in my tight little pussy," I begged.

He pushed his immense helmet up against my wet twat

I pushed my knickers to one side and eased apart my cunt lips

Gerry was eager to oblige, his creamy spunk filling my cunt. Collapsing onto the bed I lay satisfied and panting heavily, but Gerry wasn't finished. Turning over, I could see his cock regaining its former glory. "So you want some more do you?" I said, playing with my mound. "Come here," I drawled, "let's see how much dick I can swallow!"

That was all the encouragement he needed and I was soon licking and sucking his member. Even I was surprised at just how much I could fit into my mouth. With one hand I began to wank his rod, while my tongue flicked across his moist purple bell end, his pre-come forming shiny strings of silver between us.

Suddenly I felt his manhood begin to jerk and I positioned it in front of my mouth, my eyes staring wide in anticipation. Within seconds thick spurts of come shot forth. The first landed directly on my outstretched tongue. The second ran down the side of my mouth, and the third formed beads of spunk in my glossy hair.

"Ahh, that's a good boy," I said, licking my lips, "but now my pussy wants some more." Lying flat on the bed I opened my legs to show him just how wet I was. Gently parting my pussy lips, I pleaded with Gerry for some more of his hot meat. Standing before me he began to wank, pulling his foreskin back and forth over his limp knob. "You're a fucking nympho," he said excitedly.

"That's right," I teased. "I'll fuck anyone as long as they have a nice stiff prick!"

I smiled as his huge cock began to stiffen. "Oh yes," I reiterated, "make it nice and big and hard for my wet cunt!" That was enough for Gerry and he lunged into me, thrusting his cock in my eager bush. Gasping lustfully I dug my long red nails into his arse and began to scream with pleasure. I was out of control. I had asked for a good rogering and that was exactly what I was getting. In a moment of ecstasy I came again, tightening my cunt muscles and forcing Gerry's spunk deep inside me. We collapsed in a tired heap, both content and totally exhausted.

As you can imagine I still see Gerry, although my quest for sexual satisfaction is far from at an end. I am always on the lookout for fresh meat! Perhaps one of your readers could help me?

SADDLE UP!

I have to confess that I've got a thing about bike riders. There's something very sexy about watching a fit man in tight lycra gear, his muscles pumping away as he cycles along. I've often wondered whether these men would be as fit and agile in bed too, so you won't be surprised to learn that by the time I was eighteen I had taken to riding a bike myself. Of course it helps to keep me fit and toned, and I've also discovered that a cycle seat has its practical uses!

Now that I'm 20 years old I've become an expert in clitty stimulation while I'm pounding along on two

wheels. I can grind the tip of the saddle deep into my gash while I ride along, and just by getting the rhythm of my peddling right I can drive the leathery nub of the seat against my clitty to ensure a pleasing orgasm.

About six weeks ago I decided that I wanted to join a cycling club. I called a place near to where I live, and spoke to a guy called Rory who invited me down to assess my ability.

Rory turned out to be exactly what I had hoped for; a young, good-looking bloke with a great sense of humour. Within an hour of meeting him, he was flirting outrageously and complimenting me on my figure. It wasn't hard to guess that what he really meant was that I had a body built for sex, and I pictured Rory bending me over his office table and fucking my tight pussy. I wouldn't have minded him doing just that, but I knew that he was too much of a gentlemen to come out and say it. I knew I would have to take the lead.

"I'm a bit worried about my stomach muscles," I told him, lifting up my tee-shirt so that the curves of my boobs were sticking out at the bottom. "How do they look to you?" I asked.

Rory gingerly pressed the flat of his palm against my stomach and then I eased my tee-shirt further up, exposing my breasts. Rory got the message and moved his mouth to my breasts, his hot breath sending a shudder through me as he began sucking my nipples. It was a total turn-on to be taken like this and I could feel my cunt getting hot.

I couldn't wait a moment longer and I pulled my short denim skirt up and pushed my knickers to one side, easing apart my cunt lips with my thumbs so that my clitty was exposed.

Rory pulled his shorts down and whipped his hard-on out of his pants and stood in front of me, tugging on his tool as he watched me play with myself.

I rubbed a finger around my aching bud, although my legs almost gave away as I felt a tingle rush through my body. I lay down on the carpeted floor of his office, and opened my legs wide so that Rory could see how wet and turned on I was. "Look what you've done," I panted.

Rory sprayed his sticky load all over my breasts

Rory stood above me and I looked up in awe at his cock. I moved my hands up his firm thighs and then pulled him down on top of me. Reaching down I wrapped my fingers around his thick shaft and eased his length inside my cunt. His hips ground hard against mine as he powered inside me, pulling his cock out to the tip and then pushing it back in to the hilt. It wasn't long before I was coming, and when Rory withdrew his tool and sprayed his sticky load over my breasts I shuddered to a climax. Needless to say, I was accepted as a member of the club!

Within a few days I was being introduced by Rory to all the other men in the club. From a total membership of seventy, there were only four girls and we were treated like goddesses.

On the first competition ride I attempted, the men broke away leaving the only other girl in the race, Annie, and I talking as we rode at the back. It didn't take long before Annie asked me if I'd slept with Rory. The other girls have," she said. She went on to detail how Rory had fucked her over the exercise bike in the gym! It was easy to see why too: Annie was a sexy blonde with big boobs and a lithe figure. We decided to plan a little surprise for Rory, something that he wouldn't forget for quite a while.

After we had finished the ride and returned to the club, Annie and I took our time getting changed, knowing that Rory would be the last to leave as he always locked up. When everyone else had left, the two of us confronted Rory and demanded that he choose which one of us he wanted to fuck. "You'll have to make your choice now," I told him. He looked utterly confused, and we both burst out giggling as we stripped off right in front of him.

"You'll just have to fuck us both then," giggled Annie, as she tugged down his shorts. I pushed Rory onto his back on the floor as Annie placed herself between his thighs and wrapped her fingers around his shaft. Lowering myself onto his prick, I began moving up and down as Annie contented herself by running her tongue along shaft as it went in and out of my cunt. It wasn't long before he bucked and shot his load deep inside me.

Annie then lead Rory through to the showers and revived his limp prick by soaping it up then wrapping her legs around his back and ordering him to fuck her. It was a wet and wild sight and I couldn't resist frigging myself off as I watched the two of them fucking like animals in the shower. It was quite easily the horniest thing that I've ever seen!

It's more like a sex club than a cycling club here, 'though I'm not complaining. I may be a bit saddle sore at the moment, but it has nothing to do with riding bikes! – *Jenny, Worcester*

HOLIDAY BLUES

Playing away from home

HARD AT WORK

My husband Brian spends a lot of time away from home working on the oil rigs off the coast of Scotland, and as we've only been married for ten months you can imagine how frustrating it is for us both. We have a very exciting sex life and there's nothing that we wouldn't try but because Brian is usually away for six-week stretches at time, my favourite dildo tends to get plenty of use.

One of the ways that we get by is to indulge in phone sex – and I have to admit that I find it a real turn-on. I relish describing the naughty underwear that I'm wearing, and how I'm peeling it off as I lie on the bed fantasising about his hot cock pistoning in and out of me. It's hard to keep a hold of the phone as I plunge my fingers into my moist hole and bring myself to an orgasm. God knows what the other lads on the rig must think! I'm convinced that they can all hear my screams down the phone line, and I can just picture Brian walking back to his cabin from the phone booth sporting a massive hard-on!

All this is good fun, but it's not always enough for a horny girl like myself. In fact, I have to admit that I've been a little bit naughty...

Brian was recently away for five weeks and I was feeling so horny that I needed – and I mean *needed* – a real cock inside me, rather than a plastic mock cock. I was fairly calculated about the whole thing and the following weekend I went into town and bought myself a sexy dress, stockings and suspenders.

I spread my legs and he eased his dick inside my wet cunt

That evening I put on my new outfit, applied some subtle make-up and made sure that my long blonde hair was looking sexy. I called myself a cab and headed into town to one of the nightclubs that is known as a bit of a pulling joint. I've got a slim figure and long legs, and as soon as I walked into the place I could feel men eyeing me up. I love being the centre of attention and I made sure that I strode purposefully up to the bar, my high heels accenting my figure, before ordering a gin and tonic.

It wasn't long before a young lad of about 19 sat down next to me, introduced himself as Ian and offered to buy me a drink. He didn't know it yet, but it was going to be his lucky night! I let him buy me another drink and then I suggested we should dance.

We went out onto the dancefloor for about twenty minutes, and I made sure that I kept grinding my hips against his just to ensure he knew what my intentions were. I could feel Ian undressing me with his eyes as he looked me up and down, and I pictured his young virile cock banging in and out my pussy. It was all I could do not to drag him back to my place right there and then!

Within an hour, Ian and I were in a cab on our way back to my place. I couldn't resist stroking his cock as we lounged across the back seat, feeling his bell-end swelling between my fingertips. What I really wanted was to feel him teasing my pussy lips as he eased his meat inside me.

The minute we got back to my place, I shut the door behind us and grabbed Ian, sinking my tongue into his mouth and pressing my body hard against the lump in his trousers. Ian moved quickly, pulling the hem of my dress up over my thighs and pulling my knickers down past my knees. I kicked them off over my high heels and reached for the zip of Ian's trousers and freed his cock. Leaning back against the wall, I spread my legs and he eased his dick inside my wet cunt. I felt really sluttish standing there as this young stud fucked me, groaning as I worked my pussy muscles on his meat. I shuddered and pressed my hands against the wall as an orgasm tore through me, my legs almost giving way under me.

Ian then pulled his dick out from inside me, the purple head glistening with my own come juices, and I dropped to my knees in front of him. I ran my tongue around his bell-end then sank my lips right down to his balls and he shuddered as he released his spunk into my mouth. There was so much of it that even though I was swallowing fast, there was still too much to take. It dribbled out from the edges of my mouth, little white globules splattering onto my dress.

Of course, we ended up in bed for the rest of the night, fucking in every position, Ian proving that beyond doubt he was a young stud. When he left at lunch time the next day, I was so exhausted by our exertions that I slept through till early evening when the phone rang. It was Brian.

All of a sudden I was overwhelmed by guilt. Hearing Brian asking me what I had been doing and how I was feeling made me feel terrible. I made small talk, then suddenly blurted out the truth. "I slept with someone else last night," I confessed. I expected Brian to be annoyed, but there was just silence on the phone.

"Was it... good?" he asked. I was so taken aback that I didn't know what to say.

"Tell me about it, Caroline," he asked. "Tell me every little detail."

I quickly realised that Brian was getting turned on! He was horny at the thought of his wife fucking another man. I thought this would be his last reaction, but I found myself feeling very sexy as I started recounting how I met Ian in a club.

"Play with yourself while you're telling me," he said.

I pulled the sheets off my naked body and began to work at the edges of my pussy lips as I went into more detail. By the time I reached the part about us fucking in the hallway, I was starting to come! I screamed loudly as I climaxed.

"I'm back next Saturday," Brian told me. "Invite Ian for dinner, I want to watch you fuck him."

I spoke to Ian during the week, and I have to admit I was excited at the prospect of fucking him in front of Brian. I hadn't ever done anything like it before, but I found the idea such a turn-on that every time I stopped to think about it, I'd have to nip off to the toilet and frig myself to orgasm. I could hardly wait for Saturday night to come around.

The doorbell rang at around eight-thirty and when Ian came in, I led him through to the lounge and introduced him to Brian.

"This is my husband," I said.

Ian looked as if he was about to turn on his heels and run, but Brian held out his hand, smiling broadly. "Caroline has told me all about you," he reassured him. "It's not a problem."

It took two or three drinks to convince Ian that Brian wasn't going to slug him, but within the hour they were both laughing like old mates. As the alcohol flowed more liberally, I started to fantasise about being fucked by both men and felt my pussy getting very moist.

Brian and Ian started talking about how I was dressed, both of them agreeing that I looked very sexy. "Would you like to watch me fuck her, Ian?" asked Brian.

Ian nodded as Brian stood up and began undressing. His cock was already stiff, and I leaned over the living-room table and hitched up my skirt to expose my bum. I hadn't bothered wearing any knickers and as I

I slowly ran my tongue around his bell-end then sank my lips right down to his balls

wiggled my bum from side to side, I urged Brian to fuck me from behind.

He slid his cock deep inside me in one long, slow movement and began pumping his hot flesh in and out. Reaching around, his hands played over my boobs, tugging on my nipples and bringing me to the edge of orgasm. I reached down and began rubbing my clitty, looking over and fixing Ian with a grin at the same time.

"I want your cock too," I panted. Ian moved around to the side of the table and released his tool and began feeding his length into my mouth. Even though my body was being shunted back and forth as Brian fucked me, I managed to build up a steady rhythm as I gave the best head I could.

As I ran my tongue around Ian's bell-end, he wrapped his fingers around his shaft and wanked himself off.

Ian gave his dick a final pull and he shot his load all over my face. I love the taste of come and lapped at his spurting cock, making sure that I didn't miss a drop of his seed. The sight of his wife lapping at another man's cock proved too much for Brian and he thrust into me one final time, filling up my cunt with his sticky load.

I got to my feet and took off my blouse and skirt so that I stood there wearing nothing but my shoes, stockings and suspenders. I ordered Brian and Ian to sit down. I started to tease my own nipples, making them stick out even further as I danced in front of both men, and in no time at all their cocks were stiff and ready for more action. I moved closer towards them and I held open my pussy lips right in front of their faces, as they each tongued me out. It was a fantastic feeling to have two men take it in turns to pleasure my cunt and it brought me to a climax.

Of course, the rest of the evening was spent getting sucked and fucked from every angle. God knows how many times I orgasmed during that night, but by the time we all finally slumped asleep in the bed, I was thoroughly exhausted.

Now that Brian is back on the rigs once again, things really couldn't be better. He knows that his wife is getting a thorough shafting whenever she needs one – and he's more than happy about it, just as long as I give him all the dirty details. It sounds like the perfect arrangement, don't you think?! – *Caroline, Bristol*

COUPLES CONFESS

Share and share alike

CHERRY PICKER

You wouldn't believe it now, but just six months ago I was a virgin – and a very naive one at that. Now, to be honest with you, I'm a bit of an old slapper!

Actually, 'old' would be the wrong word to use for me, as I've only just turned 18. I suppose before I go any further, I should describe myself, shouldn't I? Well, I'm about 5' 8" with waist-length black hair and pale skin. Although I certainly look different from other girls, I never have trouble attracting attention from the opposite sex. My figure is 34B-23-35, and I'm very proud of my body, even though I think my bum is a little on the big side. Still, I've never had any complaints and I'm not shy about showing myself off to anyone who shows any interest!

You see, until I lost my virginity in such a spectacular way I honestly didn't give much thought to sex. It seems almost unbelievable now, but I'd never had a boyfriend before and certainly had never indulged in any of the fumblings and heavy pettings that my friends had. Of course, I masturbated occasionally, but even orgasming like that didn't stir up much interest in me. I guess I'd just not been pressing the right buttons!

These days, though, it's a different story – I just can't get enough sex! And this brings me to the reason that I'm writing to you. You see, the night I lost my virginity turned into an orgy of the kind I'd never believed existed outside the realms of fiction. And I was a thoroughly eager participant!

I still live at home with my parents, and I regularly babysit for some neighbours of ours who've recently moved into the area. Ray and Julie are in their late 20s and I get on really well with

both of them. I've always liked older men, and I have to confess that I had a real crush on Ray. I even joked about it with Julie, telling her how lucky she was to be married to a horny guy like him. Julie gradually began to confide in me details of their sex life together, and how after ten years they still screwed two or three times a day, and how Ray loved to hear how Julie fantasised about sex with other men and other women.

I have to admit I was shocked, and I must have given the game away about how innocent I was. Julie smiled broadly. "I used to be just like you," she told me. "I was a virgin until I met Ray. And if anyone used to say anything about sex which wasn't with the man on top in the missionary position, I'd throw my hands up in horror!"

"How did you change?" I asked her. I was intensely curious, because these days Julie admitted that she was a virtual nymphomaniac!

"Well, first off, I learned how to frig myself off properly," admitted Julie. "One of my girlfriends showed me." She paused briefly. "Would you like me to show you?"

I blushed bright red and shook my head, quickly changing the subject. But after I went home and thought about it for a few days, I have to admit that I was curious and very turned on by the idea. I couldn't resist calling around to see Julie and I told her that I wanted her to teach me about pleasuring my body.

"You've picked the right day, Ray's out with the kids," she smiled as she led me upstairs. She told me to relax on the bed while she showed me what to do. I couldn't take my eyes off her as she slowly stripped off her clothes, rubbing her fingers sensuously over her body as she peeled each garment off. Her nipples were hard and stiff, and she pinched them hard as she became flushed and excited.

Then Julie knelt on the end of the bed between my legs and moved both hands down to her pussy. I could see delicate beads of moisture there already, and when she began to work her thumbs in rhythm on her pussy lips I heard her breathing becoming more ragged.

She parted her legs even further, and with one hand worked hard at the clitty I could see poking out as her fingers eased back its hood. She pushed two fingers in and out of her pussy hole, moving them faster and faster until she groaned out loud and orgasmed.

"There," she panted. "That's not too difficult, is it? Want to have a go?"

I whispered that I would rather that Julie did it for me that first time. She smiled sexily and began to strip off my clothes, running her hands over my body the way she had done to her own. My skin tingled and I found it hard to breathe as her fingers inched their way up my inner thighs. I was still lying on my back as Julie's fingers connected with my clitty, and I was almost overcome by the powerful rush that went through my body.

"You'll feel yourself coming soon," Julie told me, and she wasn't wrong. As her expert fingers worked faster and faster, I gasped as my first real climax blasted through my body. It was the most sensational feeling I'd ever had, and from that moment on I was hooked.

For the next few weeks, Julie and I masturbated in front of each other on a regular basis, soon graduating to doing it to each other. Julie was keen to teach me about oral sex, but I was a bit too shy of that – and to be honest, I was now impatient to feel my first cock inside me. Sex was all I could think about and Julie promised to get me laid as soon as possible. "Think you can wait till the weekend, then I can get something really special sorted for your first time?" she told me. I nodded with excitement.

She pushed two fingers in and out of her pussy hole, moving them faster and faster until she groaned out loud and orgasmed

I had a pretty good idea that what Julie was planning must involve Ray, as they always did everything together. But I didn't suspect that his friend Paul, who I'd always had the hots for, would be there too when I was invited over to their place the following weekend. Julie told me to dress sexily so that I would be feeling relaxed. "What about that little leopard-print dress you've got that shows off that lovely figure of yours?" she suggested.

The dress does cling to every crevice of my body, and I'm pretty firm all over so there's plenty to show off. I was tingling all over with excitement as I knocked at Ray and Julie's door that night with the dress on under a short black jacket and a pair of high-heeled black shoes to show off my long legs. I felt really sophisticated and very turned on, but at the same time I was quite nervous. I guess every girl is when she's on the verge of losing her virginity and it's all she's been able to think about all week!

Ray, Julie and Paul soon had me at ease with a meal and some wine, and the talk soon turned to sex. Julie told me to tell the guys about the progress I had made, and I soon found I was able to talk quite openly about how I'd learned to bring myself off and to really induce the extra-strong orgasms I'd grown to love. Actually, I found that talking so openly like that was a real turn-on.

"Come on, you're getting this pair all worked up with this mucky talk," joked Julie. "It's not fair on them – we'll have to get started before one of them explodes on us."

It was pretty obviously that both Paul and Ray were stiff and hard under their trousers, by the awkward way they walked upstairs. Me, I bounded all the way up and shed my clothes as fast as possible. Suddenly, I couldn't wait to have the pair of them admiring my young body and seeing their cocks stiffen right in front of my eyes.

I could feel his balls grinding against my bum as he strained to make sure that every drop of come went into my pussy

"You're getting all wet now, aren't you, Laura?" purred Julie. "I knew you would. I bet you can't wait for one of these juicy cocks to be inside your pussy."

"I can't wait," I panted heavily. "Tell me who's going to be first!"

Paul was put forward by Julie as being the man who should have the honour of 'having my cherry', as Julie called it. I giggled as I lay on their bed and stroked between my legs. Suddenly, I was desperate to feel a man's cock inside my pussy for the first time.

"You really are a randy girl, aren't you?" Paul smiled as he undressed and knelt between my spread thighs. He wanked his cock just a little to make sure it was really hard for me, and then gestured for me to hold my pussy lips apart. Then he slowly guided his stiff tool deeply inside me.

I felt a delicious tingling as Paul began to ease himself in to the hilt, then ease back again so that only the tip of his cock was inside me. "Don't take it out, don't take it out!" I yelled. I couldn't bear the idea of not having Paul's cock inside me.

The feel of his cock inside me was so good, I wondered how I'd lasted out this long before having sex! I must admit that I didn't move much, just lay there and let Paul fuck me. I loved the look on his face as he came inside me, and I must have had a look of total surprise on my face as the feel of his hot jets of come had me coming too.

"How did you enjoy your first time?" Julie asked as I breathed hard to recover as Paul pulled his sticky cock out. She and her husband had been watching avidly the whole time. I just lay there smiling. "I just can't wait to do it again!"

"Ray's ready, if you're that keen," she smiled. Her hubby had stripped off to his boxer shorts and was standing by the bed, cock in hand. "I tell you what, why don't you try it doggy-style this time? It's mine and Ray's favourite position – you can really feel every inch of cock that way."

By now, I was ready for anything. I knelt on all fours on the bed with my bum in the air. Ray bent down and breathed softly on my pussy lips, as if to warm them, and then began to slide his shaft inside me. Julie was right: the penetration was unbelievable. I could literally feel every throbbing inch of Ray as he dived in and out of me with slow, even thrusts. At the same time, he reached around and used his fingers to rub my clitty until I thought I was going to explode. When I came, I swear I almost did!

The second load of come of the evening burst inside my pussy just after that as Ray unloaded his balls. I could feel his balls grinding against my bum as he strained to make sure that every drop of come went into my pussy. The smell of come filled the room.

After that, I couldn't thank Julie enough for making the night so memorable for me. I don't know anyone else who lost their virginity in quite such an exciting way. And now, I can't get enough sex. Julie reckons that I'm a changed woman, because I just need to get shagged day and night! I've carried on seeing Paul, and he's been teaching me every possible position. He's also encouraging me to sleep with as many other guys as possible – he reckons the experience is good for me, and I can't say that I'm complaining! – *Laura, Chislehurst* ♣

WELCOME TO THE WORLD OF *FREE* SEX!

The country's leading compiler of lists of genuine females who want uncomplicated sex can supply the latest update containing hundreds of ladies who are desperate to meet men capable of fulfilling their desires. We have scoured the U.K. to find all the women who, for one reason or another, are not "getting enough" – some are married with husbands who are not up to it (or like the idea of a stranger taking the *Mrs!*). Some may be plain, others just insatiable while many are merely curious to experience sex fun with someone anonymous.

YOU CAN NOW MEET THE *"READERS WIVES"*!

No other organisation comes close - we have more girls searching for sex on our files than anybody else and all you need do to join the World of FREE Sex is to send £5.00 to cover the cost of sending our latest list, which will be accompanied by complete instructions of exactly how to go about meeting the girl of your choice.

WARNING!

MANY OF THE LADIES ON THIS LIST HAVE A PHOTO ACCOMPANYING THEIR PERSONAL DETAILS, A LOT OF WHICH ARE SEXUALLY EXPLICIT, THEREFORE IT IS FOR ADULTS ONLY.

continued from page 91

in the morning with Dan, only to be woken by the sound of Lizzie's high-pitched screams coming from the next room. It was evident that there was something seriously sexy going on and I could feel myself getting turned on. Hearing them at it really had me dying for a fuck too, and I reached under the covers for Dan's dick – but he was shit-faced and out of it.

There was no way I was going to sleep with all that passion echoing in the next room, so I crept down to the kitchen figuring that a night-cap might just send me to sleep. As I walked past their room and saw the door ajar, curiosity got the better of me and I couldn't resist peeking my head around the door.

My eyes widened as I saw Nick lying back on the bed with his eyes closed as Lizzie bucked furiously up and down on his cock. He had his hands on her hips and was thrusting what looked an amazingly thick cock up inside her. My own hand strayed down to my pussy and I began gently rubbing my clitty. I came moments before them, and yanking my fingers from inside my knickers, I scurried back to my room.

The next day, Nick and Lizzie were all over each other and even nipped off for a screw right after breakfast. This was a seriously horny couple! Once they'd surfaced from their bedroom again, the four of us spent most of the day on the beach and then made arrangements to meet in the hotel bar later that evening.

The guys met up in the bar at nine o'clock, while Lizzie came through to my room and we got ourselves ready. Coming out of the bathroom after my shower, I heard the same sexy screams I'd heard the night before. I walked through to my bedroom and I practically creamed my knickers on the spot as my eyes drank in the horniest sight I think I've ever seen. Lizzie was lying spread-eagled across my bed, her damp hair plastered across her face as she worked a large dildo up her wide pink cunt. I dropped my towel, and couldn't keep a grip on the horny sensations that were rapidly filling me. I'd never considered that I could be attracted to another woman, and yet here I was, desperate to yank out that fake prick and replace it with my own willing tongue and eager fingers.

Lizzie opened her eyes as I crawled onto the bed, acting like it was completely natural for me to be in this situation. Taking the warm plastic prick in my hands, I slowly pulled it from between her sticky cunt lips and bent down to place my lips onto her pussy mound. Looking up and fixing her with a sexy stare, I eased apart her cunt lips and began darting my tongue inside her warm, wet hole. Lizzie was on the verge of orgasm anyway, and I certainly tipped her over the edge! She tugged on my long red hair and ground my face into her twat as she came, her thighs clamping onto my head as she spasmed.

Pulling me up from between her legs, we kissed passionately; Lizzie getting off on the taste of her cunt cream on my lips. She wanted to return the compliment now, and she took full control, pushing me back onto the bed and urging me to relax as her probing tongue set to work. Lizzie was in the throes of a serious bout of clit licking when we both realised that the boys were standing in the doorway, looking totally gob smacked.

Any last requests?

I reckon that Lizzie had done all this kinky stuff before, 'cos she calmly told Nick and Dan to undress as she carried on pleasuring my cunt! Before long, all four of us were on the bed, our limbs entwined and two hard cocks within easy reach. I ended up inches away from Nick's prick as he eased it slowly into Lizzie's cunt, stretching her pussy lips wide. The moment Dan wedged his cock up inside my cunt, I came with a strong gush, coating Lizzie's face in my cream as she nibbled on my clitoris.

I came again when Nick withdrew his twitching cock from Lizzie's cunt and aimed an arc of spunk all over my face. I got so turned on as I tasted his salty seed that I immediately twisted around so I could suck my boyfriend off too. Lizzie and I managed to keep Nick and Dan happy for the rest of the holiday, and the four of us are planning another trip.

If there are any girls out there who think they might have bisexual tendencies, I can only recommend that they stop wasting their time and act on their impulses. You won't regret it! – Lisa, Hereford ♠

Then, a man dresses up as a girl and takes a hidden video camera into the changing rooms of a well-known London store. Next: When a girl wants a sex change operation the nurse counsels her on the decision the doctor realises the girl is really a man. The last scene shows a man who loves to dress up in his wife's underwear whilst she is out, but she unexpectedly returns and then trains him to be her housemaid! A 60 minute special.

Erotic Tape No. 6 - Foot Fetishes - two hot girls (only 18!) indulge in sexy sessions with their feet. They tantalise their men with their toes and beautiful feet. The second scene is about toe jobs and this is for all foot devotees: a beautiful nurse has her pretty tootsies sucked. An upper-class lady lets her dedicated men-servants worship her black leather boots. Includes foot-obsessed man who jerks off using the girls' feet! Classic footage!

SEX FAMES (2-on-1)

ONLY £19.95

This has to be one of the best porn films ever made. If like me, you think that one of the horniest things to watch is a threesome - either two guys and a girl or two girls and one man, then you'll want to own this extravaganza of red hot porn. It features scene after scene of threesome sex. Few things are as enjoyable as watching a girl get it from two men at the same time. The pretty girls in this video are such a turn-on!

For many it will be like watching their ultimate fantasy. These girls can be seen having 2 ups and it'd be too bad for you to miss this chance to see them in hot, hot action! The Video features amateurs and professional models too. Favourite scenes include when lads (aged 22-23) get together with a girl of 19 and have a two's up with her. All the girls really get off on Sex and I get off seeing the men use them like sex machines. There's no love, no kissing, just hard, hard cold sex! Uncut, uncensored, hardcore, close-up, cold sex.

See scene after scene of threesome sex, featuring every possible position (including sandwich, 'A' and 'O').

This Video really is unmissable and it's yours for

YEAH WITH VANESSA WILKS!

She's the girl with kaleidoscope ears, and she's here to tell what's kickin' up a storm on her record deck...

Streetsounds Best Of Electro Volume 1 *Beechwood*

I remember going down the Youth Centre at the virginal and not yet wide-eyed age of 15, ridiculously pissed on the cheap cider I'd swigged ten minutes earlier.

As yet untouched (I'd never even had a snog!), a bewildering French boy named Eddie did a rather skilful, not to mention cool, spin on his head to the electro music we liked at the time, then spun round to face me and said, 'Je t'aime vous' (he loved me!). I crumbled ineffectually to the floor, but all he really wanted was a Frenchie and being too scared, I ran a mile.

BEST OF
ELECTRO
VOLUME 1

Meanwhile, Peter Laver asked Tracy Smith, "What's the best thing you've ever 'ad up yer?" to which she replied, "An 'ot pair of curling tongs". Tres droll.

We thought we were soooo cool. With our bread-head wedge hairdo's, luvverly box-pleat skirts, Ellesse, Tachini, Gabbinnchi. All the b-girls doing formation dancing to Tyrone Brunson's *The Smurf* and Key-Matic's *Breakin' In Space*, while the b-boys displayed their acrobatic prowess breakin' and poppin' (spasmodically twitching and hyperventilating more like!) to tunes like *Hip Hop Be Bop* by Man Parish and the vintage classic *Break Dancing Electric Boogie* by West Street Mob.

We were where it was at, street-wise cool kids at the forefront of the local electro scene. Okay so it wasn't exactly the cutting edge but we lived something which altered our attitudes to music and partying at the time and for years to come. It was fresh then and it's still refreshing now, despite being over a decade old. The only difference now is after half a bottle of cider I'm anybody's.

Yeah, yeah, yeah, yeah, yeah

C.J. Bolland Electronic Highway *R&S*

You're sitting there absent mindedly listening to background music when suddenly it all goes weird. Throbbing techno races head-on into your brain and we're charging full steam ahead, doin' a ton down the *Electronic Highway*. The hypnotic trance of the funky techno juggernaut steam-rolling through your room irresistibly draws you in, then disappears in a cloud of sparks leaving you bumping along behind.

C.J. Bolland's *Electronic Highway* is coming-atcha like a ballistic rhythm-bat-out-of-hell. This is music with an edge, at times the beautifully sombre ambience is breathtaking and unsettling in its haunting, sleek, coolness and eeriness. Other times it's just the sheer crazed galloping of the rhythm juggernaut which takes your breath away. There's always that double edge. Contradictory layers of bumpy and smooth, bangin' and ambient, collide and cascade over the bare tracks. The stark glint of a blade tears out of the shadows and cuts through the crystal clear sky with the ferocity and ease of the aquiline soarings of an eagle's flight. Rip it up!

Yeah, yeah, yeah, yeah

Jah Wobble Heaven and Earth *Island*

Funky, hip-hoppy, dubby, exotic... that's *Heaven and Earth*.

Ex-PIL maverick, Jah Wobble, embarks on another round-the-world excursion skimming the more languid waters of the world. The rich melting pot of musical styles in Wobble's musical biography, most notably his nihilistic punk influences, are not immediately apparent. Jah Wobble is careful not to spoil the brew. *Heaven and Earth*'s ultra subtle nuances and influences, sometimes delightful, at other times just plain repetitive, filter the surface of the ever present liquid subsonic bass rumble. For instance, *A Love Song* is gorgeous with the aching Arabic vocals of Natasha Atlas. While later it's merely dinner party music as the melody stumbles along, stoned. And while I was also happily content going nowhere, I wasn't exactly inspired by what I'd heard. Heaven and Earth caused only a third rumble in my world.

Yeah, yeah, yeah ♣

virgin, and they knew the effect their sexy chatter had on me, and I reckon this got their minds working overtime when it came to planning something special for my birthday.

The party was to start at Kate's place, so we went straight there after work. I had a quick shower, listening to the girls laughing loudly in the other room, and when I came back into the bedroom they told me to drop my towel 'cos they had a special outfit for me to wear. I was a bit shy, but as they had all stripped off too, I dropped the towel, unable to tear my eyes from the three pairs of gorgeous boobs on display.

"Where's my outfit then?" I asked.

"You're wearing it!" screamed Jenni. "It's your birthday, so it's only right you wear your birthday suit!"

I felt very incredibly excited and turned on as Katie took me by the hand and led me through to the living room, and I nearly fainted as I saw my 'presents'. I'd never seen a penis in real life before, let alone anything like the three upright columns facing me. The girls had invited their boyfriends, Chas, Terry and Tom to give me a birthday to remember. I'm normally very shy, but being faced with these three men, I dropped to my knees as I gingerly stroked and rubbed each purple bell-end. At long last I understood exactly what the girls meant when they said they couldn't resist a nice, firm prick. The girls then spent a couple of minutes sucking off their men, before inviting me to follow their example. I was certainly a quick learner! Moving from one cock to another, I eagerly rasped my tongue up and down their cocks, before settling into a steady sucking rhythm on Terry's magnificent member. I wasn't quite sure what was going to happen, but as I licked greedily at his sticky helmet, he suddenly bucked and flooded my mouth with his thick come. I swallowed the lot, and was instantly hooked!

Now I was trembling, desperate to touch my aching pussy, but it felt even better when someone else did it for me! The girls helped me onto the table on all fours, as Jenni stroked my boobs. Christine and Kate were between my legs, holding my pussy lips open with my fingers and stroking my clitoris in firm slow circles. "There you go, boys," teased Kate, "isn't that the juiciest virgin cunt you've ever seen?" I felt Kate ease a slim finger between my cunt lips, and begged her not to stop because I knew I was about to come. I was squirming all over the table, and as Christine started feverishly rubbing my clitty, I screamed out loud as orgasm tore through me. "Come on please! I'm ready, someone fuck me now!"

I looked over my shoulder to see Terry guiding his huge cock into my tight virgin quim. I arched my back and opened my knees even wider as my pussy stretched to accommodate his length. It felt better than I could ever have imagined, and after his slow entry, my lover pulled back and firmly slammed deep into me. I could feel my cunt muscles gripping onto his shaft and I tossed my head around wildly as he really fucked me hard. Jenni was planting little kisses over my sweating face, and when she offered me her tits to suck, I happily clamped my mouth onto her dark pink nipples. I bet not many girls are lucky enough to lose their virginity in such a sexy way!

Terry then grunted loudly and thrust into me one final time, and for the first time my cunt was filled with a man's come. It was an incredible feeling and as Terry pulled out his cock, I begged to have my cunt filled again. Tom gladly obliged, easing his long tool inside me and pistoning in and out of me and bringing me to another amazing orgasm. This time, as he neared orgasm, I got him to pull out his prick at the last moment and felt his warm seed splashing all over my bum cheeks!

As I looked around the room, I could see Christine and Kate wrapped around Terry and Chas, manoeuvring themselves into impossible positions as they were royally fucked. I never wanted to get off that table, but I had to so that the girls could lie me flat on the floor; the guys sitting and

HOT FUN

I'm a 25-year-old redhead and have been seeing my boyfriend, Daniel, for six years. We've always had a very exciting sex life, but we've never shared each other with anyone else until our last holiday.

We decided to go on a fortnight's holiday in Greece and took along some good friends of ours, a couple called Lizzie and Nick. I've known Lizzie since college, and we had a fantastic time on holiday flirting with the local men as we paraded topless around the swimming pool at the hotel. Daniel and Nick would get the right horn watching us displaying our ample charms, and they'd get so turned on that we'd head back to our respective hotel rooms for a thorough fucking.

One night on holiday, the four of us went out on the town and got completely plastered. I eventually staggered off to bed at four

A car says a lot about the kind of person you are, and Tanya likes a big one! "It has to be large enough to roll around in the back with a guy," says the 22-year-old. "Or better still on the bonnet in the middle of a field!" You're obviously an exhibitionist then, Tanya. "When I get a couple of Diamond Whites inside me I get the desire to do it in the most public places," she admits. "My ultimate

ambition is to provide the half-time entertainment on the turf at Old Trafford with Eric Cantona and Ryan Giggs at either end! Any guys out there brave enough to screw me at their footy ground?" Very much so, I fancy! ♣
